

## **FISCAL NOTE**

### **SB 506 - HB 1817**

February 23, 2007

**SUMMARY OF BILL:** Authorizes alternative census methods for the purposes of the calculation of the minimum salary for general county officers.

### **ESTIMATED FISCAL IMPACT:**

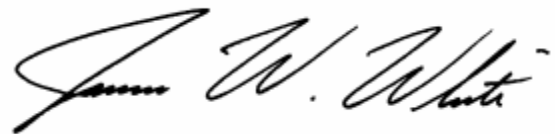

**Increase Local Govt. Expenditures – Exceeds  
\$100,000/Permissive**

Assumptions:

- At least nine officials in most counties would typically be subject to salary increases according to the provisions of this bill.
- The population of any county utilizing an alternative census method would increase relative to the census numbers that were formerly used.
- At least 10 counties would utilize such a method and their classification for salary purposes would go up.
- Each of the nine officials in the 10 counties moving up in classification would receive a raise of at least \$1,200.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director

**SB 506 - HB 1817**
